Pakistan Hockey Team in 2011

Dear all,

As you read the newsletter, the 2018 Commonwealth games are about to start with a bang. We share a very special bond with #Commonwealth as it was in 2011, that our group was launched. The very first assignment was to work with Pakistan Hockey team that was visiting Perth and Rida Ahmed was officially appointed as the liaison person for hockey team. The bond that was created that day has strengthened every year with two more visits to Australia. It is a very proud moment as Rida is now liaising with Pakistan Hockey team once again in Gold Coast and is very adamant that a medal is in line for Pakistan hockey team. On behalf of all Pakistanis in Australia we welcome the delegation and will be cheering for Australians and Pakistani contestants.

The cricket fever has now spread all over the world like flu virus and we need to take measures which bring pleasure and happiness to the community. Fayyaz Sumbul Cup has now

ended with the Australian team now returned after few days of dun and hard work with the friendly series ending in a draw. We hope to listen form them soon.
